THE GIBBS HOUSE

Headquarters of the Ramsey County Historical Society, 2097 Larpenteur Avenue W., St. Paul, Minn.

THE Ramsey County Historical Society was founded in 1949. During the following years the Society, believing that a sense of history is of great importance in giving a new, mobile generation a knowledge of its roots in the past, acquired the 100-year-old farm home which had belonged to Heman R. Gibbs. The Society restored the Gibbs House and in 1954 opened it to the public as a museum which would depict the way of life of an early Minnesota settler.

In 1958 the Society erected a barn, behind the house, which is maintained as an agricultural museum to display the tools and other implements used by the men who broke up the prairie soil and farmed with horse and oxen.

Today, in addition to maintaining the Gibbs property, the Ramsey County Historical Society is active in the preservation of historic sites in Ramsey county, conducts tours, prepares pamphlets and other publications, organizes demonstrations of pioneer crafts and maintains a Speakers' Bureau for schools and organizations. It is the Society's hope that through its work the rich heritage of the sturdy men and women who were the pioneers of Ramsey County will be preserved for future generations.
